ABOUT ME

Motivated and detail-oriented Software Developer with a passion for building responsive web applications. Eager to contribute my skills in a dynamic team and grow as a professional in the IT industry.

EDUCATION

BS Information Technology 2022 – 2026

Hazrat Ayesha Siddiqua Model Degree & Commerce College (Affiliate College)

PROJECTS

Nexus Learn – Education App 2025

- Developed a mobile application for students, parents, teachers and admin.
- Integrated Firebase for authentication and real-time database.
- Focused on user-friendly interface and smooth performance.
- Implemented key features like attendance, results, leave requests, notifications and more.

AZAM-UL-QURAN Website 2026

- Designed and developed a responsive website for online Quran classes with course details, admission form and contact section.
- Built using HTML, CSS, JavaScript and Firebase.
- Ensured a clean UI and smooth user experience.

Personal Portfolio Website 2026

- Created a personal portfolio website to showcase my skills, projects and resume.
- Implemented responsive design with modern UI.
- Used HTML, CSS, JavaScript and GitHub for version control.
